

# KANAALMODEL STANDAARD

MMD-UP0481BHP-E

TOSHIBA

## KOELEN

|              |         |
|--------------|---------|
| Koelvermogen | 14,0 kW |
|--------------|---------|

## VERWARMEN

|                     |         |
|---------------------|---------|
| Verwarmingsvermogen | 16,0 kW |
|---------------------|---------|

## TECHNISCHE GEGEVENS

|                            |                      |
|----------------------------|----------------------|
| Koeltechnische aansluiting | 3/8" x 5/8"<br>flare |
|----------------------------|----------------------|

## BINNENDEEL

|                    |       |
|--------------------|-------|
| Opgenomen vermogen | 290 W |
|--------------------|-------|

|   |                               |
|---|-------------------------------|
| Luchthoeveelheid koelen (L/H*), 3 stappen | 1.500/2.350 m <sup>3</sup> /h |
|---|-------------------------------|

|                                       |        |
|---------------------------------------|--------|
| Opvoerhoogte ingebouwde condenspomp** | 850 mm |
|---------------------------------------|--------|

|                  |                      |
|------------------|----------------------|
| Afmetingen HxBxD | 275 x 1.400 x 750 mm |
|------------------|----------------------|

|                                    |                |
|------------------------------------|----------------|
| Geluidsdruk niveau koelen (L/M/H*) | 33-36-40 dB(A) |
|------------------------------------|----------------|

|                                       |                |
|---------------------------------------|----------------|
| Geluidsdruk niveau verwarmen (L/M/H*) | 33-36-40 dB(A) |
|---------------------------------------|----------------|

|                    |       |
|--------------------|-------|
| Condensaansluiting | 32 mm |
|--------------------|-------|

## BINNENDEEL

|                           |             |
|---------------------------|-------------|
| Externe druk (instelbaar) | 50 - 150 Pa |
|---------------------------|-------------|
